Downtown Jay and Livermore Falls are a mile plus downstream of this site on Route 4. Additional shopping and eating places are available. The Paper museum is also located there. Worth the trip to learn more about the heritage of paper making in Maine.

Small motor boat access could be obtained at Snoopy access located upstream on same road as Pine Island - the road to Verso Mill. Look for above ground water type storage tank on right.

Access is down steep bank with set of steps. Trailer access is not possible.
